Homewood Health

Your Employee and Family Assistance Program Get to know your EFAP

Everyone faces challenging and stressful events in their lives. Most of the time we can handle these situations ourselves; other times we could benefit from some support.

Your EFAP is a professional, confidential, and proactive service to support you with a wide range of personal, family, and work-related concerns.

What benefits are available to me?

Your EFAP is here for you whenever you need it, 24 hours a day, seven days a week, 365 days of the year.

Within a confidential environment you can receive counselling for any challenge — whether it's a first step in facing a possible addiction, or managing day-to-day stress.

We guarantee your confidentiality.

We are Homewood Health, a trusted company with years of experience delivering the best possible support for clients like you. Everyone is guaranteed confidentiality within the limits of the law. You won't be identified to anybody including your employer.

People frequently use an EFAP for personal challenges such as relationship concerns, family or parenting issues, anxiety,

depression, addictions, grief, coping with health issues, or work-related challenges.

We will match you with a counsellor who suits your needs and provide you with short-term solutions.

If you are identified as requiring additional, longer-term treatment or specialized support, our counsellors will refer you to community-based resources and programs which suit your unique needs.

How does the counselling program work?

Counselling services can be offered face-to-face, over the phone, through video, or online. Offices are local and appointments are made quickly, with your convenience in mind. If you have a preference for location, gender, or appointment time, we'll do our best to accommodate your preferences.

When you need to speak with someone, simply call Homewood Health — staff will ask you for some basic information (to establish your eligibility for this benefit)
