WHAT IS PREFERRED PRICING?

Preferred Pricing is our way of inviting you to the extended General Motors family. We are grateful to be partners with companies like yours, and want to show our appreciation by sharing an offer that is accessible to GM partner companies.

The Preferred Pricing program allows employees at eligible partner companies to pay our Preferred Price* on the purchase or lease of almost every new Chevrolet, Buick, GMC and Cadillac vehicle.

To find out what models are eligible for Preferred Pricing, and to learn more about the program, visit us online at **[GMPreferredPricing.ca](https://www.gmpreferredpricing.ca)** or speak to your local participating dealership.

HOW DOES IT WORK?

Preferred Pricing is simple. All your employees need to do is register at **[GMPreferredPricing.ca](https://www.gmpreferredpricing.ca)** using your company's unique code. Once they've signed up, they can search the site to find an eligible vehicle that's perfect for them. They can then request an authorization number and bring it, along with proof of employment (a recent pay stub or letter from HR will do), to a participating dealer.

CAN I COMBINE THE DISCOUNT WITH OTHER CURRENT OFFERS?

Certain GM incentives can be combined with Preferred Pricing. Eligible incentives include most national and regional offers. You can combine Preferred Pricing with the Heroes Program, Mobility Program, Welcome to Canada Program and/or Student Bonus. Visit your dealer for details on current offers, or find current offers on gm.ca.

WHO IS ELIGIBLE?

Canadian employees* at eligible Preferred Pricing companies and their spouses. Note that selected vehicles must be titled and registered in the approved employee's or spouse's name for personal use only.

*Offer available to current employees (excluding retirees, contract or temporary employees) of eligible companies on the retail purchase or lease of eligible new Chevrolet, Buick, GMC or Cadillac vehicle (excluding Chevrolet: Camaro ZL1 w/1LE, Colorado ZR2, Corvette, Spark LS, Silverado 1500 3LT; GMC: Canyon AT4X, HUMMER EV, Sierra 1500 4SG & 5SB, Yukon & XL 5SB; Cadillac: CT4 & CT5 Blackwing, Escalade & ESV V-Series, LYRIQ) by January 2, 2024 at a participating Dealer. Preferred Pricing is dealer price, plus 2% of MSRP, excluding taxes, fees and charges. Offer cannot be redeemed for cash or combined with certain other offers. See dealer and <https://www.gmpreferredpricing.ca/english/> for details. GM may modify or terminate this program in whole or in part without notice at any time.
