

Our Canada Benefit Summary

Drilling and Well Servicing – Field Employees

Group Insurance Plan

Employee Savings Plan

Savanna Well Servicing

Savanna Drilling

Welcome!

Benefits are an important component of your career at Total Energy Services Inc. and we are constantly looking for ways to provide a benefits program that delivers the best value to the company and you, our employees.

This document is intended to provide you with a summary of our current arrangements along with key contacts for Industrial Alliance benefits and the Sun Life RRSP/Employee Stock Savings Program. Please note that this brochure gives you and your dependents an overview only. We encourage you to consult your Industrial Alliance and Sun Life member booklets for more detail.

Our people make us what we are, and we strive to be industry leaders for continued growth and success. We offer this program to help you and your family grow physically, emotionally and financially.

Sincerely,

B.J. (Brad) Macson, P.Eng.
Vice-President, Operations
Total Energy Services Inc.

Group Benefits

Benefits Overview

Total Energy Services Inc. (TESI) is proud to offer a comprehensive benefits package to all qualifying employees of Savanna Drilling and Savanna Well Servicing Field employees, collectively referred to as Savanna in this document.

Savanna will cover 100% of the non-disability premium costs. The disability premium needs to be paid by our employees so that any future disability benefits can be delivered to the member on a non-taxable basis.

The Life and AD&D premium that is paid on your behalf by Savanna will generate a taxable benefit for you. The premium for these benefits will appear on your T4's as taxable benefit premiums and you and/or your tax advisor will be able to accommodate these amounts as part of your spring income tax filing.

The benefit package is briefly summarized in this benefit summary. For more detailed information about each of these programs, please refer to the benefits booklet as that document will provide a complete summary of covered services.

Eligibility for Coverage

You are eligible for coverage when you are a paid employee of Savanna with 3 months of continuous employment and you are working at least 22 hours per week.

The benefits offered are provided by Industrial Alliance unless otherwise noted:

- » Basic Life
- » Basic Accidental Death and Dismemberment (AD&D)
- » Dependent Life Insurance
- » Long Term Disability Insurance
- » Short Term Disability Insurance
- » Health Care
- » Dental Care
- » Employee Assistance Program (EAP - provided by Homewood Health)
- » Medical Second Opinion (Provided by Novus)

The intent of this document is to provide you with general information and is an outline summary of the coverage. It does not include all of the terms, coverage, exclusions, limitations, and conditions of the actual contract language. It should not be construed as, nor is it intended to provide legal advice. The policies and contracts themselves must be read for those details, see contact information on page 13.

Dependent Eligibility

Your spouse and dependent children are eligible for coverage.

Spouse means either:

1. An individual to whom you are legally married; or
2. Your common-law spouse who is a person continuously living with you in a conjugal relationship

You must state the name of the person to be considered your spouse for the purpose of this benefit plan. Only one spouse will be considered at a time as being covered under the benefit plan.

Dependent Child means either:

1. An unmarried person who is your natural child or your adopted child; or
2. An unmarried step-child or a child of a common-law spouse, who resides with you and is dependent on you for support;

And who is:

1. Younger than 21 years of age; or
2. 21 years but younger than 25 years of age (or 26 years if residing in Quebec), in full-time attendance at an accredited institute of learning, and dependent upon you for support.

The coverage of a dependent child who is incapable of self-sustaining employment due to a mental or physical disability will be continued under the contract after he or she would no longer be eligible for coverage as described above (to the age of 25 or 26 if residing in Quebec), provided the child remains incapacitated, unmarried, and dependent on you for support.

In these circumstances, the dependent must have become totally disabled prior to attaining age 21. Proof of the disability from the dependent's physician must be provided.

Change in Family Status

All changes in family status should be reported to human resources at Savanna to ensure the correct coverage is in place for you and your eligible dependents.

Change in family status means any change in your family situation on account of:

1. Marriage, divorce, or separation;
2. Birth or adoption of a child;
3. Death of a qualified dependent; or
4. A change in a spouse's employment status which results in loss of group coverage

If any of these changes occur, Savanna must advise Industrial Alliance within 31 days or evidence of insurability may be required by their underwriters.

Coordination of Benefits

If a person who is covered under the contract is also covered under another group plan which provides similar coverage, claims will be coordinated and/or reduced so that benefits payable for all sources will not exceed 100% of the eligible charges incurred, as follows:

If the claim is for you	If the claim is for your spouse	If the claim is for your child
First submit claim to your Savanna plan with Industrial Alliance	First submit claim to spouse's plan.	First submit claim to the plan of the parent with the earliest birth date (month/day) in the year.
Then send a copy of your claimant statement from this plan to the other insurance company/benefit plan which your spouse has arranged coverage under.	Then send a copy of the claimant statement from your spouse's plan into Industrial Alliance when you make your claim under the Savanna plan.	Then send a copy of the claim statement to the other benefit plan.

Basic Life Insurance

Underwritten by Industrial Alliance

This benefit will be paid to your named beneficiary in event of death. It is your responsibility to keep your named beneficiary(s) up to date.

Basic Coverage:

Well Service Employees

Flat \$210,000 – Rig Manager

Flat \$148,000 – Driller/Operator

Flat \$134,000 - Derrickhand

Medical Second Opinion

Administered by Novus Health

Whether dealing with a medical challenge, finding a specialist or needing information to help you make the right decisions about your health care, Medical Second Opinion services complements the care of your treating physician by providing expert medical reviews and advice.

What is Medical Second Opinion?

Medical Second Opinion is a network of some of the best doctors in the world and includes specialists from virtually all medical fields. All the specialists in Medical Second Opinion are affiliated with leading Canadian medical teaching institutions. As leaders in their respective medical fields, the specialists have access to resources and clinical expertise around the world, which facilitates consultation with other leading experts, when necessary.

What Conditions are Covered?

There is a variety of conditions that are covered by Medical Second Opinion services, some of which are listed below. Even if your condition is not eligible for a medical second opinion, the specialists will help you navigate the healthcare system, support you in locating medical specialists for the treatment of specific health problem, inform you of the treatment options available and provide valuable information to help you make the most informed decision possible.

The following conditions may be covered*:			
<ul style="list-style-type: none">• AIDS• Benign brain tumour• Cancer• Cardiovascular conditions, including heart attack, coronary or aortic surgery	<ul style="list-style-type: none">• Coma• Complications from diabetes• Diseases that could lead to amputation• Deafness• Emphysema• Kidney failure	<ul style="list-style-type: none">• Loss of sight• Major trauma• Loss of speech• Motor neuron diseases• Alzheimers• Parkinsons• Multiple sclerosis,• Paralysis	<ul style="list-style-type: none">• Serious lung or bone diseases• Severe burns• Stroke and related conditions• Thrombophlebitis and embolism• Vital organ transplant

* This list is not exhaustive.

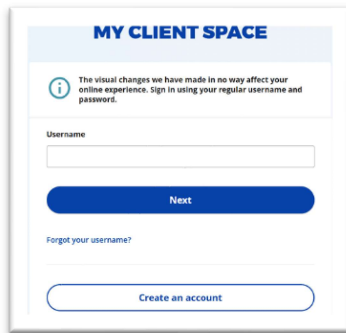

How Do I Request a Medical Second Opinion?

This confidential service is available to you and your family at no additional fee. To begin the process of having your diagnosis or therapy reviewed by medical experts, simply call 1-855-422-4622.

Industrial Alliance Online Access

Industrial Alliance has a self-service website with secure online access to your extended health and dental benefits and claims information. Here you can access your health and dental claims information, view next eligible dates and maximums for services, submit claims online, sign up for direct deposit, access forms and ID cards and more.

On the Web, go to ia.ca/myaccount. The login page will appear on your screen (see screen below).

The screenshot shows the 'MY CLIENT SPACE' login page. At the top, there is a blue header with the text 'MY CLIENT SPACE'. Below the header, there is a message: 'The visual changes we have made in no way affect your online experience. Sign in using your regular username and password.' Below this message, there is a 'Username' input field, a 'Next' button, and a link for 'Forgot your username?'. At the bottom, there is a 'Create an account' button.

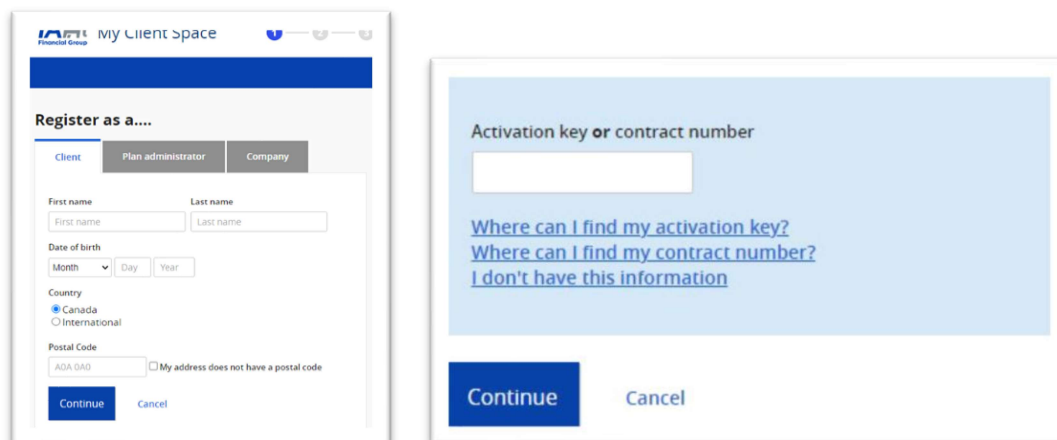

Click on Create account.

Enter your personal information (first name, last name, date of birth and postal code), then click on Continue.

A benefit card along with an activation key will be mailed to your home address.

If you received your activation key, enter your activation key and click on Continue.

If you don't have your activation key yet, click on "I don't have this information".

The image contains two screenshots. The left screenshot shows the 'Register as a...' page with tabs for 'Client', 'Plan administrator', and 'Company'. The 'Client' tab is selected. The form includes fields for 'First name', 'Last name', 'Date of birth' (with dropdowns for Month, Day, and Year), 'Country' (with radio buttons for Canada and International), and 'Postal Code' (with a checkbox for 'My address does not have a postal code'). There are 'Continue' and 'Cancel' buttons at the bottom. The right screenshot shows the 'Activation key or contract number' page. It has a text input field for the activation key or contract number. Below the input field, there are three links: 'Where can I find my activation key?', 'Where can I find my contract number?', and 'I don't have this information'. At the bottom, there are 'Continue' and 'Cancel' buttons.

If you need assistance obtaining your activation key / updating your information, please call the iA contact centre at 1-877-422-6487 and an agent will help.

Access your group insurance file on your mobile:

Download iA Mobile for free on your iPhone or Android device from the App Store or Google Play and take advantage of the most popular features of My Client Space.

To use iA Mobile, make sure you have activated your access code on My Client Space.

Employee Savings Plan

Administered by Sun Life Financial

TESI offers all eligible employees (members) the option of joining TESI's employee savings plan. This plan will encourage members to plan for the long term financially with two goals in mind:

- 1) Helping all plan members generate more retirement income later in life.
- 2) Allowing plan members to participate in the financial reward/growth of TESI stock.

Eligibility for Coverage

You can join the RRSP and/or NREG and start contributing after three months. Add and start contributing to the TFSA right away. Joining is optional

Benefits Overview

Members will make contributions into an individual RRSP account. The Company will make matching contributions in the form of Company shares into individual Employee Stock Plan (ESP) accounts. These are investment accounts for the benefit of each member.

Your Contributions

Once you join, you have to contribute at least 2% of your income per pay to the RRSP or NREG. Your contributions will automatically increase by 1% in January of each year until you reach 6%. Don't stop there, keep contributing to the RRSP, TFSA and NREG (up to your personal contribution limits) and watch your money grow even faster.

If you are not interested in moving to the next level you will need to login to your Sun Life account at www.mysunlife.ca after January 1st to change your contribution percentage (if you change it in December, the percentage will automatically move up on January 1st). Contributions may include, to the extent authorized, overtime and commissions; but in all cases will excludes bonuses.

Employer Contributions

When you contribute to the RRSP or NREG, your employer will match those contributions at 150% up to a maximum

Years in the plan	Your contribution	Your employer's matching contribution
1	2%	3.0%
2	3%	4.5%
3	4%	6.0%
4	5%	7.5%
5 or more	6%	9.0%

You can choose to direct your employer's contributions to the RRSP or NREG. This can be different than the product you contribute to.

To get your employer match, you need to contribute at least 2% every pay.

Withdrawals from Your Employee Contributions or Employer Contributions

Withdrawals without restrictions:

If you decide to take money out, you can withdraw the contributions you make to the TFSA, as well as any additional contributions you make to the RRSP and/or NREG that don't receive a match from your employer. There is a \$25 fee per withdrawal.

Withdrawals with restrictions:

Withdrawing from the contributions you make to the RRSP and/or NREG that your employer matches will result in your employer suspending their matching contribution for 12 months. This suspension does not apply for withdrawals made under the *Home Buyer's Plan (HBP)* or *Lifelong Learning Plan (LLP)*.

You can withdraw up to 50% of company share between the RRSP and/or NREG once per calendar year. Withdrawing more than 50%, or making more than one withdrawal in a calendar year, will result in your employer suspending their matching contribution for 12 months. *Note: When the suspension period is over, your employer's matching contribution will resume and reset to the default first year rate (please refer to chart above for rate). This means any annual increase to your employer's matching contribution accrued from previous years in the plan will be voided.*

Upon withdrawing from the RRSP you will never get the contribution room back. Once you take it outside of a government program (i.e. the Home Buyers' Plan) you lose the room forever.

Before you withdraw money from your RRSP, ensure you complete the Withdrawal Calculator on mysunlife.ca, to see how your withdrawal will impact your future savings.

Note: This is meant to act as a plan summary, please refer to Sun Life plan documents for full details.

Planning Your Retirement

Please refer to the Sun Life education program tools available from within your personalized Sun Life plan member site for help planning for your retirement.

Online Access

To access Sun Life's online retirement features, logon to mysunlife.ca, using your access ID and password provided.

Sun Life enables members to walk through the entire retirement planning process, learn about fund performance, fees and unit values for your available investment options, print and view your plan statement, view information about your current investment choices, access articles, videos and other resources.

Contact Information

For further information or questions about any of the benefit plans provided, please contact the administrator listed below, or your local human resources department.
